

Non-Profit Sponsorship Agreement

As part of ASPB's effort to support non-profit organizations we are extending this offer with the understanding that there may be limited space in our showings and not all applicants will be approved. It is up to the discretion of voting board members to approve the advertisement of a non-profit group for the duration of the current academic quarter.

_____ (Group's Name) would like to request a spot in the Associated Students Program Board's (herein designated as ASPB) pre-movie slide show. We understand that ASPB has total discretion in showing the advertisement and there may not be available space at every movie showing. Final approval for advertisements is required before they are shown. ***Non-Profit Sponsorship Guidelines*** must be followed in every aspect.
